DEPUTY COAL CONTROLLER,  
Victoria Terminus,

Ne. 13/66

Bombay, 26th June 1918.

Mr. Mohamad Salim Saderavi,  
12th Khetwadi Lane, Bombay.

Sir,

New service for electric lights at your  
premises at No.336, Grant Road.

With reference to your letter of 25.6.18, I  
find that the Bombay Electric Supply & Tramways Co.,<sup>td.</sup>  
had submitted your application with their No.5410/18 of  
15. 6. 18, and I withheld sanction because of the  
excessive demand of 3 K.W.

I now sanction a supply not exceeding 1 K.W.

I have the honour to be,  
Sir,

Your most obedient servant,

*W. W. W.*  
Deputy Coal Controller.
